CHINESE PERSPECTIVES IN ENGINEERING AND INNOVATION

AUGUST XI’AN

Ancient City
A world-renowned ancient city with 3,000 years of history and one of the birthplaces of the Chinese nation.

Modern City
A major base of aerospace, electrical and machinery industries.

About Xi'an

A city with a long history, Xi'an is the capital of Shaanxi Province in China. Xi'an is one of the ancient capitals of China, with a history of more than 3,100 years. It is also known as the city of the first emperor of China, the first great military engineer, and the birthplace of Chinese civilization.

TUNING DREAMS INTO REALITY

PARTICIPATING NUMBERS
- 150 students from 20 countries and regions
- 40 faculty members from Northwestern Polytechnical University
- 80 faculty members from Xi’an Jiaotong University
- 200 faculty members from other universities in China

PROGRAM DESCRIPTION
- The program is designed for students from all over the world who have an interest in engineering and innovation.
- The program aims to provide students with a comprehensive understanding of the engineering and innovation ecosystem in China.
- The program includes lectures, workshops, and site visits to various companies and research institutes.

ENROLLING DREAMS INTO REALITY

WELCOME TO CHINA

Xi'an, China
December, 2018

APPENDIX

COMPLIMENTARY COURSE LIST
- Introduction to Chinese Culture
- Introduction to Chinese Language
- Introduction to Chinese History
- Introduction to Chinese Economy

ELIGIBILITY
- Open to all students with a Bachelor’s degree in engineering or a related field
- Minimum GPA of 3.0
- English proficiency (TOEFL or IELTS)

APPLICATION PROCESS
- Online application through the program website
- Review of application materials
- Final selection based on academic performance and personal statement

FEES
- Course fee: $3,500
- Room and board: $1,500
- Total cost: $5,000

SCHOLARSHIPS
- Need-based scholarships available
- Merit-based scholarships available

CONTACT INFORMATION
- Program Director: Dr. John Smith
- Email: j.smith@chineseprogram.edu
- Phone: 123-456-7890

HOW TO APPLY
1. Submit completed application form
2. Provide two recommendation letters
3. Pay the application fee
4. Visa application
